You will have the opportunity, on Monday, of saying whether you are an advocate of cleanliness and health or of filth and disease, when you vote for or against the hog.

Go to the polls on Monday and vote against the hog, and the dog also. This is a duty that the true friends of the town expect of every man who calls himself a good citizen.

THE Mt. Sterling Daily Sentinel says : Mr. Clark, the Mason county man who bought the John L. Terry farm near Bald Eagle, sold his crop of eight acres of tobacco to F. M. Berry at 20 cents per pound. It is thought the crop will yield Mr. Clark over \$300 per acre.

THERE is not the slighlest doubt that a majority of the people are opposed to permitting hogs and dogs in the city limits. George Andrews, overseer in the Lowell Carpet Corporation, was, for over twenty years before his removal to Lowell, afflicted with salt rheum in its worst form. Its ulcerations actually covered more than half the surface of his body and limbs. He was entirely cared by the use of Ayer's Sarsaparilla. See certificate in Ayer's Almanac for 1883,

"An ounce of prevention is worth a pound of cure." Don't wait until it is too late. Act promptly. Relieve the suffering of your children at once. When you know a certain remedy, use it. Wills' World Worm Candy fills the bill. It has never falled to remove worms if they are present in the system, and it is useless to lose time by resorting to other remedies when you will find this at your druggists.

Who is the Prettiest Girls in America? Is a question that would perplex a congress of connoisseurs assembled to nominate the most beautiful. But such an assemblage would not be surprised to learn, that the most charming of their sex, on this side of the Atlantic, enhance the beauty and preserve the soundness of their teeth with Sozodont, since everybody knows, that the ladies prefer it to any and all dentrifices. Let no man say after this, that women lack judgment.

# The Doctor's Endorsement.

Dr. W. D. Wright, Cincinnati, Ohio, sends the subjoined professional endorsements: "I have prescribed Dr. Wm Hall's Balsam for the Lungs in a great number of cases and always with success. One case in particular was given up by several physicians who had been called in for consultation with myself. The patient had all the symptoms of confirmed consumption-cold night sweats, hectic fever, harassing coughs, etc. He commenced immediately to get better and was soon restored to his usual health. I found Dr. Wm. Hall's Balsam for the Lungs the most valuable expectorant for breaking up distressing coughs and colds.
